Academic Benefits

Chess makes kids smarter by teaching the following skills:

**Focusing - Visualizing - Thinking Ahead - Weighing Options- Analyzing
Concretely-Thinking Abstractly- Planning- Juggling Multiple Considerations
Simultaneously**

As a result, children become more critical thinkers, better problem solvers, and more independent decision makers. Make the right move! Whether you are a beginner or an advanced chess player this program is for you. Children in all grade levels K-8 are welcome to come and learn the great game of chess!
