2023-2024 SCHOOL SUPPLY KITS

With the end of the school year almost here, it's hard to believe that it's already time to start planning for next school year! But, don't fret! We have changed school supply companies and you can order as late as August! If you choose, you may use this company to order many of your school supplies for your student(s). Many of the supplies will be the brand names you have loved too! All orders must be made online and all school supply kits will be shipped directly to your home and NOT to the school as in previous years. The option to remove school supplies that you may already have at home will now be available. Ordering from [School Tool Box](#) is NOT a requirement, but the profits from this program will benefit the many worthwhile programs supported by our Family School Association. Please see the attached flyer for information on ordering from [School Tool Box](#). School Supply Lists for each grade are available on our school website.

PLEASE NOTE: There are additional required school supplies not included in the kit and not available as an add-on purchase. You will see "Teacher Note" at the top of the screen once you click on the grade(s) for your student(s).

A recap of the benefits of purchasing your School Supply Kit(s) through [School Tool Box](#):

- No early deadlines
- Name brands you trust
- Option to remove supplies from the kit that you may already have
- Delivered directly to your home
- Add extra items to your order to "grant wishes" from Teacher Wish Lists (coming soon)
- For every School Supply Kit purchased, a meal will be donated through Feed My Starving Children (fmsc.org - a nonprofit organization)

Please feel free to contact me with any questions.
