Register

Select "Create Account" or use your Google/Apple account. Follow the prompts to sign up. You will verify your email address and phone number to complete registration.

The registration process consists of several steps shown in the screenshots: 1. "What's your cell phone number?" with a field for the number and a "Verify" button. 2. "What's your name?" with a field for the name. 3. "Set a strong password" with a field for the password and a "Verify" button. 4. A final screen with a "Log In" button.

How To Add A Child

Schools might connect your children automatically! If you see the "No Children" on screen & the school gave one time Parent Connection QR code, then select "Add Child" to scan the code and add one child at a time, else tap on "Need Additional Help?" to reach our support desk.

Secure Way To Connect

Parents can use our website also – **parentapp.pikmykid.com** to register and make pick-up changes, report student absences or checkins.

Note: Announcement is only available through the parent phone app.

Need Help?

Email support@pikmykid.com. Be sure to include the name of the school, the child's name, the dismissal ID, and your mobile phone number, with your questions.

Check In

On Check In tab, you will be able to complete the check in for you or your children. Contact App Support if the Check In tab is not available for you.

School Check-in

Check-In - Your school may use check-in to request for you to answer a few questions during morning drop off. Some schools use this for checking in parents on campus as well. Please select who is visiting and answer the questions if requested.
